Just My Type Simon Garfield, 2011-09-01 A hugely entertaining and revealing guide to the history of type that asks What does your favorite font say about you Fonts surround us every day on street signs and buildings on movie posters and books and on just about every product we buy But where do fonts come from and why do we need so many Who is responsible for the staid practicality of Times New Roman the cool anonymity of Arial or the irritating levity of Comic Sans and the movement to ban it Typefaces are now 560 years old but we barely knew their

names until about twenty years ago when the pull down font menus on our first computers made us all the gods of type Beginning in the early days of Gutenberg and ending with the most adventurous digital fonts Simon Garfield explores the rich history and subtle powers of type He goes on to investigate a range of modern mysteries including how Helvetica took over the world what inspires the seeming ubiquitous use of Trajan on bad movie posters and exactly why the all type cover of Men are from Mars Women are from Venus was so effective It also examines why the T in the Beatles logo is longer than the other letters and how Gotham helped Barack Obama into the White House A must have book for the design conscious Just My Type s cheeky irreverence will also charm everyone who loved Eats Shoots Leaves and Schott s Original Miscellany

Danielewski,2000-03-07 THE MIND BENDING CULT CLASSIC ABOUT A HOUSE THAT S LARGER ON THE INSIDE THAN ON THE OUTSIDE A masterpiece of horror and an astonishingly immersive maze like reading experience that redefines the boundaries of a novel Simultaneously reads like a thriller and like a strange dreamlike excursion into the subconscious Michiko Kakutani The New York Times Thrillingly alive sublimely creepy distressingly scary breathtakingly intelligent it renders most other fiction meaningless Bret Easton Ellis bestselling author of American Psycho This demonically brilliant book is impossible to ignore Jonathan Lethem award winning author of Motherless Brooklyn One of The Atlantic s Great American Novels of the Past 100 Years Years ago when House of Leaves was first being passed around it was nothing more than a badly bundled heap of paper parts of which would occasionally surface on the Internet No one could have anticipated the small but devoted following this terrifying story would soon command Starting with an odd assortment of marginalized youth musicians tattoo artists programmers strippers environmentalists and adrenaline junkies the book eventually made its way into the hands of older generations who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children Now made available in book form complete with the original colored words vertical footnotes and second and third appendices the story remains unchanged Similarly the cultural fascination with House of Leaves remains as fervent and as imaginative as ever The novel has gone on to inspire doctorate level courses and masters theses cultural phenomena like the online urban legend of the backrooms and incredible works of art in entirely unrealed mediums from music to video games Neither Pulitzer Prize winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home until the day their two little children wandered off and their voices eerily began to return another story of creature darkness of an ever growing abyss behind a closet door and of that unholy growl which soon enough would tear through their walls and consume all their dreams New King James - The Bridge Bible David W. Daniels,2020-05-20 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1

18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made
