Holland, Richard Watson Gilder, 1882 *Blame and Punish* Bruce Carlson, 2021-03-23 The world is constantly changing and  
we never know how tomorrow will be different from today There are many things we can prepare for in life and some we can  
t It s the ones we can t that make us understand how fragile we are as humans Who would have thought in our time of  
technology superiority and medical wonderment we would shut down our world to deal with a virus from COVID 19 Why did  
we shut down our world What were we afraid of Getting a little sick Getting a lot sick Dying AHA DYING IS IT DYING ARE  
WE AFRAID OF DYING SERIOUSLY If our lives are so valuable to us then why do we allow ourselves to be killed so easily We  
can live one of two ways We can lock ourselves in or let ourselves out We may be able to protect ourselves more from dying if  
we lock ourselves in but if we let ourselves out welcome to your world In case you don t recognize it yours is the world where  
crime runs rampant murder is an everyday thing and there s a pretty good chance you a loved one or a friend of yours is  
going to be hurt by another human being who is someone s child and you will live with the pain of having been hurt by them  
for the rest of your life and the persons responsible for your pain will never get punished We need to stop our future from  
ending by going down the path it is We need to stop building ourselves wrong This book can help us start stopping There are  
nearly 7 5 billion people on earth It is estimated there are over 4 000 religions and it is believed people speak about 6 500  
languages Yet there is no religion anywhere in the civilized world saying a person cannot kill us or our children There is no  
government saying the right person will be held responsible for stealing from us or our family There is no law of any land  
saying that a person is not allowed to make a mockery of tease bother insult lie about embarrass or in any way destroy  
another human being Each of us has the right unrestricted to do anything evil hateful harmful and without justification to any  
other person on our planet without recourse How is that Because parents do something wrong if their children do something  
wrong And that means if their children EVER do something wrong ANY time ANY place 1 1 should not equal 3 unless the 3 is  
a good 3 Blame and Punish helps us understand what and why we need to begin believing and fixing For 300 000 years we ve
